Gemeente HELVOERSLOOT

## INSCHRIJVINGSREGISTER MODEL 1.

vermeldende de tot den landstorm behoorende dienstplichtigen, van wie ingevolge artikel 2, eerste lid, van het Landstorm-Besluit geen andere dan **ongewapende** dienst kan worden gevorderd.

### JAARKLASSE 1 919.

1°. Iedere tot den landstorm behoorende, wiens dienstplicht overeenkomstig artikel 3 der Landstormwet een aanvang neemt, wordt ingeschreven in het register der jaarklasse, waartoe hij naar zijn leeftijd behoort.

2°. De jaarklasse, waartoe de landstormplichtige behoort, wordt aangewezen door het jaar, waarin hij 20 jaar wordt of is geworden. Zoo behoort de in 1873 geborene tot de jaarklasse 1893; de in 1874 geborene tot de jaarklasse 1894; de in 1893 geborene tot de jaarklasse 1913.

3°. In iedere gemeente is steeds voor elke dienstplichtige jaarklasse een inschrijvingsregister model 1 voorhanden; in het geheel dus 21 dergelijke registers.

4°. Het verdient aanbeveling bij elk register een klapper aan te leggen.
